2.15 Commercial work is all work as described in Article 3.01 which is not covered under the definition of industrial work found in Article 2.14 including, but not limited to installation, service and repair work in apartment houses, churches, schools, hospitals, institutional buildings, commercial buildings, existing sawmills, factories, light industries, stores, shopping centres and for buildings which would normally be occupied for domestic, commercial and institutional purposes.

### **Article 3      Scope of Work**

3.01 The terms of this Agreement are hereby recognized and accepted as binding on both parties hereto, and shall apply in the manner under the conditions specified herein, of, the manufacturing, fabrication, assembling, handling, erecting, dismantling, reconditioning, adjustment, alteration, installation, repairing and servicing of all Sheet Metal Work of 10 U.S. gauge, or its equivalent or lighter gauge, and all other work in connection with or incidental thereto included in the Jurisdictional claims of the Sheet Metal Workers' International

Association, Journeymen and Registered Apprentices recognized by the Union shall be used on said work of the Employer.

#### **Article 4      Recognition**

4.01    The Employer recognizes the Sheet Metal Workers' International Association, Local 437, the Union, as the sole and exclusive collective bargaining agent for all Journeymen Sheet Metal Workers and Registered Apprentices of Local Union 437 in the counties of Kent, Westmorland and Albert, Gloucester, Northumberland, Restigouche, Sunbury, York, Carleton, Victoria, and Madawaska.

The Local Union recognizes Mechanical Contractors Association of N.B. Inc. and certain Sheet Metal Companies engaged in Sheet Metal work, as the sole and exclusive bargaining agents for all Sheet Metal Contractors or Sub-Contractors. No conditions of work separate and apart from the conditions set out in this Agreement will be sought or condoned by any Local Union.

#### **Article 5      Union Security**

##### **5.01    Industrial Work**

On request of the signatory Sheet Metal Companies, Local 437 of Sheet Metal Workers International Association will furnish Journeymen, Apprentice and Welders. All workers so furnished will be recruited from the jurisdiction of Local 437 of Sheet Metal Workers International Association. If after a period of two (2) full working days (forty-eight hours) from the time the request is made and Local 437 cannot supply the quantity and/or the skill required, the signatory Sheet Metal Company may procure such people as are available. All new employees so hired shall be cleared through the Shop Steward, as to Union membership before employment commences and shall become members of Local Union 437 within seven (7) calendar days.

Notwithstanding the procedure noted above it is agreed that the hiring process for all geographic regions will be as follows.

The Employer may hire the first person for a project from any geographic region. The second person hired for the project will be selected by the Union and shall be from the geographic region where the project is located. The third person for the project will be selected by the Employer from any geographic region. Subsequent hires will be from the geographic region on the basis of one selected by the Employer, then one selected by the Union.

When all members of the geographic region are dispatched, and members are to be dispatched from other geographic regions the hiring sequence as above will continue to apply.

#### 5.02 Commercial Work

The Employer, when requiring members, shall consult with the Local Union with respect to qualified union members available to work, and the Union shall supply to the Employer, or make available with a list of qualified, and currently available for work, union members with the address of their current principal permanent residence. The Employer may select any union member he desires provided that no more than two (2) employees per job site are from outside the geographic region. The two (2) employees from outside the geographic region may be the first two employees hired. When the Employer has made their selection, he shall contact the Union Office who shall immediately contact the member to ask them to report to work as per the Employer's instructions. If Local 437 cannot supply the quantity and/or the skill required, the signatory Sheet Metal Company may procure such people as are available. All employees so hired shall be cleared through the Shop Steward, as to Union membership before employment commences and shall become members of Local Union 437 within seven (7) calendar days.

5.03 Forms authorizing the check-off of union dues will be supplied by Local Union 437 of the Sheet Metal Workers International Association who in turn will have their Employee sign the same.

The Employer agrees that no union member shall be hired without a work referral slip from the union office or designated union official and the Union agrees to give a work referral slip to anyone hired under the terms of this agreement. The work referral slip shall contain the permanent address of the employee as well the current status of the Employee's safety training certifications and if the Employee is an Apprentice, up to date and accurate information with respect to their hours worked and block release training level achieved.

Each member hired shall be in possession of certificates of qualification, licenses and a NBCSA passport with current stickers for safety training and any other training deemed necessary and mutually agreed to by the Mechanical Contractors Association of NB and Local Union 437 for the work required.

5.04 Any Employee who refuses or neglects to sign the appropriate forms or who revokes the authorization or who resigns their membership in the Union will be deemed to have voluntarily separated and their employment will be terminated.

5.05 Empowered by the authorization forms signed by each employee the signatory Sheet Metal Companies agree to deduct from the first pay period of each month the amount certified by the Union as dues.

5.06 The amount so deducted shall be remitted by the signatory Sheet Metal Companies to the Union at the address on file, during the third week of the month together with a list of all Employees on whose behalf such deductions have been made as well as social insurance numbers for new Employees.

5.07 Employees working on metal siding, metal decking and kitchen equipment that are members of Local 437 can work anywhere within Local 437 jurisdiction.

5.08 All sheet metal work carried out at a job site within the geographic region shall be carried out under the terms of the article applicable to the geographic region where the job is located.

## **Article 6 Union Representation**

6.01 The Union has the right to appoint a job or shop steward, as the case may be, and the Employer shall be advised of the name in writing before they are recognized by the Employer. It is understood that Steward has the responsibility of performing their work as any other employee. Such Stewards will not be discriminated against for expressing the views of the employees they represent.

## **Article 7 Business Manager**

7.01 The Business Manager or Business Agent of the Union shall have access to all work on application to the Employer or their representative, but in no case shall their visits interfere with the progress of the work. Such Business Manager or Agent may discuss with the Steward any matters that are in dispute with respect to the particular work. This clause shall not be interpreted as a license to discuss general Union Business, but reasonable opportunity or provision to discuss Union business shall be given the Employee on request and on their own time. Should security regulations and/or owner-client regulations prevent access to any job or project, the Employer will assist the Business Representative in trying to obtain a necessary pass or permission to visit the job or project.

7.02 The Business Manager or Business Agent must carry accident insurance to cover them in the event of an accident on jobs or projects that they have access to in the course of their duties.

## **Article 8 Jurisdiction**

8.01 In the event that a jurisdictional dispute arises as to the assignment of any work on the project the Employer will make an assignment of such work. Should any Union or Unions, parties to this Agreement, disagree with the work assignment then the parties hereto agree to settle such jurisdictional disputes in accordance with the procedure as outlined below.

8.02 In the event such jurisdictional dispute cannot be settled on a local basis by the Unions involved, such dispute shall be submitted to the International Unions involved for settlement without permitting it to interfere in any way with the progress of the work at the time. In the event the dispute is not settled by the International Unions involved, it shall then be referred to the Labour and Employment Board of the Province of New Brunswick for a final decision. It is understood and agreed, however, that if the dispute causes any delay in the progress of the

work or given rise to an apprehended delay, any of the parties hereto may apply to the New Brunswick Labour and Employment Board for an order under the New Brunswick Industrial Relations Act.

## **Article 9        Apprentices**

9.01    The employment of Apprentices shall be in accordance with the New Brunswick Apprenticeship & Occupational Certification Act and any new amendments which may be proclaimed thereof.

9.02    The ratio of employment on commercial work shall be one Apprentice to every two (2) Journeypersons. Notwithstanding the above, the first two employees hired for a job site may be one (1) journeyperson and one (1) apprentice. It is further agreed that in the calculation of the above ratio that apprentices in their fourth year will not be counted. A fourth-year apprentice is deemed to be one who has accumulated 5400 hours in the trade and has successfully completed the third year of school.

The ratio of employment on industrial work shall be one Apprentice to every three (3) journeymen.

It is further agreed that the ratio shall be altered by the Labour Management Committee depending on local conditions.

9.03    No Journeymen shall be dispatched from the Union, hired by the Employer or continue to be employed by the Employer, who has not complied with the Apprenticeship and Occupational Certification Act and who cannot show an Exemption or Certificate of Qualification, or who refuses to apply for the Tradesmen's Qualification Exam from the provincial department having jurisdiction.

9.04    Any Apprentice receiving a higher rate of pay than specified in the Agreement will not suffer any loss of pay due to the signing of this Agreement.

9.05    Apprentices attending Trade School must pass their period examination to be eligible for their period increase, and Employees to be notified by the provincial department having jurisdiction of the results of such examination.

All Apprentices will carry progress records signed by provincial department having jurisdiction that they have passed each period examination and have worked the required hours.

9.06    All Apprentices shall give their progress book to the Employer when hired. It will be made available to the Apprentice at any time upon their request. The Employer shall give the progress book to the Apprentice when their employment is terminated.

9.07 Once the geographic hiring list has been exhausted workers may be hired from outside the list and geographic area shall be hired at seventy per cent (70%) of the current Journeyman Sheet Metal Worker's rate. Those so hired who have completed pre-employment training shall be hired at seventy-five per cent (75%) of the current journeyman Sheet Metal Worker's rate. These rates shall be increased in the following manner:

1800 hours worked and first year of school successfully completed	75%
3600 hours worked and second year of school successfully completed	80%
5400 hours worked and third year of school successfully completed	85%
7200 hours worked and fourth year of school successfully completed	90%
Certificate of Qualification successfully completed	100%

#### Article 10 Hours of Work and Overtime

10.01 The working hours throughout all geographic regions covered by this Agreement shall be Forty (40) hours per week Monday to Friday inclusive. The regular work day shall be from 8:00 A.M. to 4:30 P.M., with one-half hour off for lunch from 12:00 Noon to 12:30 P.M. The lunch break is to be taken as close to mid-shift as possible. It is agreed by both parties that Employees shall have one ten (10) minute rest break each half shift as close as possible to midway point of said half shift, it is agreed that the Union or Employer, or both, shall discipline Employees abusing or violating this clause. For Health and Safety reasons all breaks are to be taken at the appropriate times.

10.02 All work done in excess of these hours shall be paid at the rate of double time. Double time rates shall also apply Saturdays, Sundays and all legal Holidays.

10.03 **Industrial Work** - Where special circumstances make it necessary to work other than the regular hours (exclusive of overtime and holidays) and in the case of two or more shifts being employed, for the second shift, the rate shall be sixteen percent (16%) above the regular rate of pay for eight (8) hours worked. The third shift, if employed, shall be paid at the rate of twenty-five percent (25%) above the regular rate of pay for eight (8) hours worked.

per the basic tool list. After notification by the shop steward and the Employer, the Employee shall have a maximum of seven (7) days in which to replace those tools on the above list. This shall be a condition of employment.

19.06 The Employer agrees to provide insurance for fire and theft of Employees' tools to a maximum of \$500.00 less a \$10.00 deductible. It is understood that this coverage applies only to tools that are stored in locked premises and does not cover individual tools lost or stolen on the job or shop. It is further agreed that each Employee shall submit a list of their tools to the Employer, and it shall be the responsibility of each Employee to keep the list up to date

## **Article 20 Sub Contractors**

20.01 The Employer shall not sub-contract or assign any of the work covered by this Agreement to any person, contract or sub-contractor unless said person, contractor or sub-contractor is a party to this Agreement or is under Agreement to another affiliate local Union of Sheet Metal Workers' International Association. The exception to this Article would be shop fabricated skid packages.

## **Article 21 Fabrication**

21.01 All sheet metal duct and fittings 26 gauge or heavier shall be Union made by members in good standing of S.M.W.I.A. Any sheet metal duct or fittings fabricated by members who are not members of local 437 shall arrive in site in broken down form.

21.02 Spiral duct may arrive on site in lengths to be determined by the Employer.

21.03 Article 21.01 shall not include items normally considered manufactured items.

## **Article 22 Grievance Procedure**

22.01 The principal of the arbitration of all grievances without involving any stoppage of work is agreed to by both parties. The parties agree that every effort should be made to resolve any grievance by the employee concerned and his immediate foreperson. Failing that, should any difference then arise between the Employer and the Employees covered by this Agreement, or the Union that represents them, as to the interpretation, application, administration or alleged violation of the provisions of this Agreement, an earnest effort shall be made to settle same in the following manner.

22.02 Where there is a grievance by an Employee, the same shall be made in writing to the Steward within two (2) working days of the occurrence. The Steward shall take the grievance up with the Employer's representative of the aggrieved Employee.

22.03 An answer shall be given not later than twenty-four (24) hours following presentation of the grievance by the Steward.

22.04 If the decision has not been given not within the prescribed time, or if the decision is not acceptable, then the grievance shall be submitted in writing to the Local Labor-Management Committee within one further working day.

22.05 The Local Labor-Management Committee shall render their decision not later than four (4) working days after being presented with the grievance.

22.06 The Local Union shall be entitled to submit a grievance in writing directly to the Employer within fifteen days (15) from the date there is evidence of a violation having occurred. The Employer shall render a decision not later than two (2) working days following the presentation of the grievance to him.

22.07 The Employer shall be entitled to submit a grievance in writing directly to the Local Union within fifteen days (15) from the date there is evidence of a violation having occurred. The Union shall render their decision not later than two (2) working days following the presentation of the grievance to them.

22.08 Failing settlement, any grievance shall be subject to arbitration in accordance with the following clauses.

22.09 The Union and the Employer shall agree upon an arbitrator who is willing to arbitrate the grievance. Failure of the Union and the Employer to agree upon an Arbitrator within three (3) working days, the matter will be referred to the Department of Post-Secondary Education Training & Labour for the appointment of the Arbitrator.

22.10 The party initiating the grievance shall file the grievance with the first arbitrator named above, and if the arbitrator is not available or unable to serve for any reason, the grievance shall then be filed with the arbitrator named second on the list above, and so on until an arbitrator is found. The arbitrators, after each arbitration, shall rotate in their placement on the list.

22.11 The arbitrator shall hold a hearing within fourteen (14) days after the grievance is submitted to him and shall render his decision to the parties within seventy-two (72) hours after the completion of the hearing, provided that a failure to make an award within the time prescribed or as extended by the parties shall not invalidate the proceedings or terminate the authority of the arbitrator.

22.12 It is understood and agreed in the application of this article that there is no power in the participants to a settlement to add to, subtract from or modify the terms of this Agreement. The sole function of an arbitrator shall be to interpret the meaning of the articles of this Agreement and to render a decision which shall be binding on both parties. The arbitrator shall have no power to add, to subtract from or modify the terms of this Agreement.

22.13 When an Employee has been discharged or disciplined unjustly or unreasonably, the Employee shall be reinstated and shall receive compensation in such amount as he would have earned had he been working, or in such amount as is just and reasonable in the circumstances. If an arbitrator determines that an Employee has been discharged or otherwise disciplined for cause, the arbitrator may substitute such other penalty for the discharge or discipline, as the arbitrator deems just and reasonable in all circumstances. The burden, of establishing that a different penalty should be imposed, shall be on the Employee concerned.

22.14 The times fixed by the Article are mandatory, but may be extended by mutual agreement, in writing. If a grievance or arbitration is not processed within the time allowed, the grievance or arbitration shall be deemed to have been abandoned. Saturdays, Sundays, and holidays shall be excluded in computing the time allowed.

22.15 The cost of the arbitrator shall be borne equally by the parties hereto

### **Article 23 Trust Funds**

23.01 The Employer and the Union confirm the establishment of the New Brunswick Sheet Metal Industry Employer/Employee Trust Fund (the "Trust Fund") in accordance with a Trust Agreement between the Union and the Employer, and their designated Trustees. The purpose of the Trust Fund is to provide health and other insurance benefits, the Trustees, in their sole discretion, determine (the "Insured Benefits") for Union Members to the extent that funds are available in the Trust Fund. The Trust Fund is administered by Trustees appointed by the Union and the Employer in accordance with the Trust Agreement.

The Trustees may, in their discretion, in accordance with the Trust Agreement.

(i) establish programs to permit employees of the Union and employees of the Employer (including the Association) to participate in one or more of the Insured Benefits,

(ii) establish self-payment programs for retired members of the Union to participate in one or more of the Insured Benefits, and

(iii) permit members of another Local of the Sheet Metal Workers International Association ("Affiliated Unions") to participate in one or more of the Insured Benefits.

Non-union employees employed under Article 5 of this collective agreement are not entitled to any of the Insured Benefits or to participate in the Sheet Metal Workers' Retirement Savings Plans.

Employees do not have any interest in the trust fund or in monies contributed by them or an Employer, other than a Union member's interest in his or her Sheet Metal Workers' Retirement Savings Plan. Union members are only entitled to Insured Benefits for which they

are eligible in accordance with the plan or plans purchased by the Trustees to provide Insured Benefits and are not entitled to a refund or payment of any amount from the Trust Fund at any time or for any reason.

#### **23.02 Commercial Work & Industrial Work**

The Employer shall pay seven dollars and ninety cents (\$7.90) per hour worked under this collective agreement to the Trust Fund. From these seven dollars and ninety cents (\$7.90), the Trustees shall pay:

- (i) Thirteen cents (\$0.13) to the Mechanical Contractors Association of NB Inc. as a contribution to the Employer Administration Fund,
- (ii) Fourteen cents (\$0.14) to the Union as a contribution to the Union Training Fund,
- (iii) Twenty-five cents (\$0.25) shall be contributed to a jointly monitored Safety Training Fund for the purposes of supplying all Union members with WHMIS, Safety Orientation, Fall Protection, Confined Space, Man Lift Awareness, Forklift Awareness and First Aid Training and additional safety training courses as required.
- (iv) Four dollars and sixty-five cents (\$4.65) shall be contributed for the purchase of pension benefits; however, if such contribution is made for overtime hours it shall be nine dollars and thirty cents (\$9.30).
- (v) The remaining amount shall be applied to the purchase of Insured Benefits for Union members and to the cost of administering the Trust (including the education of the Trustees with respect to their obligations as Trustees). If further funds are required to maintain the present plan, such costs shall be deducted by the Employer from each Employee's hourly rate. The Trustees shall give a thirty (30) day notice to the Employer and Employee of such increase in cost.

The Employer shall remit the amount paid under this Article in accordance with terms found in Article 23.05.

**23.03** It is a condition of employment and compulsory that all Employees pay one dollar and eighty-five cents (\$1.85) per hour worked from his or her hourly rate to the Trust Fund. From this one dollar and eighty-five cents (\$1.85) the Trustees shall pay:

- (i) One dollar (\$1.00) from each contribution for hours worked by a Union member to the Sheet Metal Workers' Registered Retirement Savings Plan established for that Union member,
- (ii) One dollar and ten cents (\$1.10) to the Union as a contribution to the Union Administration Fund,
- (iii) Ten cents (\$0.10) to the Union as a contribution to the Union Promotion Fund, and

(iv) The remaining amount, if any, shall be applied to the purchase of Insured Benefits for Union Members.

The Employer shall remit the amount paid under this Article 23.03 in accordance with terms found in Article 23.05.

23.04 If directed by the Union, the Trustees shall remit (net of reasonable administrative expenses if considered appropriate by the Trustees) all contributions made by or on behalf of a member of an Affiliated Local who is performing work within the jurisdiction of the Union under the provisions of this collective agreement to the Trustees or Administration of a benefits plan established by the Affiliated Local of which he or she is a member.

23.05 The Employer shall remit all contributions and payments each month by cheque or other means of payment on or before the fifteenth (15th) day of the month following that in which the hours were worked to the Union and the New Brunswick Sheet Metal Industry Employer/Employee Trust Fund c/o Belmont Health & Wealth., S-110, 580 Main Street, Saint John, NB, E2K 1J5 with each employee's name, Social Insurance Number and total hours worked during the month.

#### **Article 24 Safety**
